

This bulletin is issued weekly by the Bureau of Local Roads and Streets. It is available to all interested parties at a subscription rate of \$48.00 per year (January 1 through December 31) by applying to the Illinois Department of Transportation, Bureau of Administrative and Facility Services, 2300 South Dirksen Parkway, Springfield, Illinois 62764. (Make checks payable to: State Treasurer of Illinois). If you fail to receive a complete copy, please call Area Code (217) 782-3464 and one will be mailed to you immediately. The electronic version is offered free of charge two ways. It may be viewed or downloaded via the Illinois Department of Transportation's Internet Website at [www.dot.state.il.us](http://www.dot.state.il.us) under Public Partners then Resources for Local Agencies. You may also receive it automatically once per week via email.

**PREQUALIFICATION OF BIDDERS.** Proposals requiring prequalification of bidders will be issued only to those contractors who are qualified with the Department of Transportation. Prequalification forms may be secured from the Engineer of Construction, Administration Building, 2300 South Dirksen Parkway, Springfield, Illinois 62764.

**PLANS AND PROPOSALS.** Unless otherwise noted, plans and proposals may be obtained at the office of the local agency advertising for bids. The plans and proposals are each a call for bids containing all requirements governing the letting and performance of the particular contract including but not limited to any applicable requirements for the payment of prevailing rates of wages for labor are required by law. Any questions regarding individual plans and proposals should be directed to the local agency advertising for bids or the appropriate district office of Local Roads and Streets.

**PROPOSALS 'NOT FOR BIDDING'.** Contract proposals marked 'Not for Bidding' may be issued to companies furnishing materials and equipment to contractors.

**NONDISCRIMINATION REQUIREMENTS.** All bidders are hereby notified that the counties and municipalities having work, or procurement of materials advertised in the bulletin are required to affirmatively insure that the contract, entered into pursuant to this advertisement, will be awarded to the lowest responsible bidder without discrimination on the grounds of race, color, sex or national origin.

**RESPONSIBLE BIDDER REQUIREMENTS.** All bidders are hereby notified that any material proposal requiring work to be performed by the contractor and all contract proposals require the prime contractor and all subcontractors to participate in an approved apprenticeship and training program unless federal funds are involved. All bidders must complete item 7 of the Notice of Material Proposal form (if required) and Item 11 of the of the Notice to Bidders Form. These forms must be returned with the bidders' proposals. If Item 7 (if required) or Item 11 is not completed, the bid will not be read.
